RESEARCH PROJECTS

- Education & Technology in Disruption:** The aim of the project is to conduct an interview with parents, students, teachers and an NGO to understand their technology use and non-use for education in Kashmir. We are specifically investigating the resiliency in the community with long technological and social disruption in Kashmir, India. (March 2021 - Present)
Team Member: [Asra Sakeen Wani Singh](#) (PhD Scholar, IIIT Delhi)
Advisor: [Dr. Pushpendra Singh](#)
- Ethics in Child-Robot Interaction:** I analyzed the Child-Robot Interaction Videos to qualitatively code emerging ethical issues from my previous user-study with kindergarten children. After coding, we engaged in philosophical and technical arguments to highlight the need for ethical guidelines to deploy social robot for children in under-resourced communities. Article under review at International Journal of Social Robotics. (Oct 2020 - Feb 2021)
Team Member: Deepa Singh (PhD Scholar, Delhi University)
Advisor: [Dr. Eduard Fosch-Villaronga](#), [Dr. Jainendra Shukla](#), [Dr. Manohar Kumar](#)
- Online Schooling During COVID Era:** Interview study with teachers, students and parents of different schools in Delhi including both private and government to understand how exactly is online learning playing out for them. I recruited and interviewed teachers, students and parents from Delhi govt. schools. Translated, transcribed and then coded the interview. (Jun 2020 - Sep 2020)
